Statement of Principles

EC, the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

EC is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure;
- Continuing to support scientific studies on equine health and welfare;
- Increasing education in training and horsemanship practices;
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competition;
- Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

This prize list contains important information regarding scheduling, presentations, entries, qualifications, rules and many other details particular to this show. Please read carefully. You are responsible to know all information contained in this prize list.

ENTRY INFORMATION FOR THE PARKLAND DRESSAGE FESTIVAL

The Parkland Dressage Festival will be running two competitions simultaneously:

1. The Alberta Provincial Championships
2. The Western Regional Championships

The Provincials will be run on Thursday, Friday. The Regionals will be run on Saturday, Sunday. Freestyles will be held Friday and/or Saturday. Horses and riders will ride their freestyle just once and the score can be used for Provincials and Regionals.

There are no qualifying criteria for the Alberta Provincial Championships.

Qualifying criteria for the Western Regional Championships will be a minimum score of 58% for Walk Trot through Fourth level and all FEI divisions. All qualifying scores must have been achieved in 2010 at an EC or USEF national competition. You may not use the 2010 Provincial Championships as a qualifier for organizational reasons.

There will be no qualifying scores required for any of the freestyle classes. However, all rider/horse combinations must meet the EC rules of a minimum technical score in First to Fourth levels of 58%. This score can be achieved at any time before the freestyle class including from the 2010 Provincial Championships. There is no qualifying score required for FEI freestyles.

Day sheets will be posted each evening at the scoreboards. Riders are responsible for checking your times each day as changes may be made.
