

Cold Lake Area Alberta Dressage Association 2020 Education Subsidy Program

The Cold Lake Area Alberta Dressage Association (CLADA) Board is pleased to announce that we will be continuing the Education Subsidy Program for 2020. The intention of this program is to financially support the dressage education of its members. Following are the criteria that have been set for the subsidy program – if you have any questions, please feel free to e-mail or call the CLADA Education Subsidy Coordinator, Carol Porteous at 780-573-5982

The guidelines to be eligible for Education Subsidies are as follows:

1. Each rider may apply for a combination of clinics
2. The primary focus of the clinics must be dressage.
3. For a rider to be eligible for the subsidy:
 - a. The rider must be a CLADA member in good standing;
 - b. The rider must not have applied for subsidy under any other ADA education program.
 - c. The rider must have completed their volunteering requirements.
4. Subsidies will be applied to the **Rider** (not the horse). The intent of the funding is for the education of the rider.
5. The monies payable to the rider will be determined by the CLADA Executive based on the financial health of CLADA during that fiscal year. There are no guarantees of any subsidy monies being payable. Based on the popularity of the program, a member may only receive a percentage of the total amount claimed, so that all riders submitting forms will receive equal access to funding.
6. **Clinic Subsidy Forms will be accepted no later than December 15 2020.** The form must be completed in full and the full names clinic organiser and instructors are required. For your convenience, forms may be emailed to the Education Subsidy Coordinator:

7. In order to be eligible for any monies, all members claiming subsidies are required to participate in CLADA programs and activities during the year. Members who apply for subsidy will only be considered eligible if they support the CLADA by volunteering for a minimum of 3 hours. Volunteer activities may include, but are not limited to:
 - a. Volunteering at any CLADA horse show or Ride a Test days
 - b. Organizing dressage clinics
 - c. Volunteering at any CLADA event (i.e. transporting or billeting clinicians; hosting a social, being on the executive)
 - d. Volunteering to work ADA casinos or the Mane Event ADA booth, etc.

Please contact Shannon Reid or Carol Proteous at cladc2017@gmail.com for more information on volunteer opportunities or if you have questions regarding whether or not your volunteer activities would qualify.

The CLADA is pleased to be able to offer the Education Subsidy program to its members. Only through the time of dedicated volunteers and through the financial support of its members can we continue to promote the future of dressage in Alberta.
